EXPERIENCE:

Frontend Developer (Intern) - Tech2Edge   *Aug 2024 - Aug 2024*

- I developed the Frontend of the Fini Kids website, creating a multi-step form using HTML, CSS, JavaScript, and Bootstrap. The website features products related to children. Additionally, I utilized Figma and Miro for design and planning.
- I worked on the HAX SECURITY website, where we used Bootstrap components, HTML, CSS, and JavaScript. We also utilized Miro for design. This website offers courses related to cybersecurity.
- I also created the frontend for an OTT platform that fetches images, names, and titles from a API. I used JavaScript with async/await for data fetching and Bootstrap for the sliders.

PROJECTS:

Personal Portfolio - [Visit]   *Aug 2024 - Aug 2024*

Developed a personal portfolio website using HTML, CSS, and JavaScript to highlight my skills, education, and projects. The site features a responsive design with sections such as About Me, Skills, Experience, and Portfolio, along with interactive elements like smooth scrolling and form validation. It serves as a platform to showcase my web development expertise with links to live projects.
